

SOTTO

SOTTO and BASSO is Italian for "down" and "low". And that is exactly where the light comes from with these luminaires. Although the names suggest that the luminaires are low, the light output is great. The SOTTO is the younger brother of the BASSO and due to its square shape, it's available in several types of wood. Thanks to the shape, the SOTTO can be easily combined with the other products. We wanted to develop a family of luminaires where each family member has its own quality. The quality of the SOTTO is to put others in the spotlight.

SPECIFICATIONS

- **Thickness:** 200 mm
- **IP class:** IP54
- **Voltage:** 230 volts
- **Power per LED module:** 5 Watt (LED reflector lamp PAR16 with GU10 lamp base)
- **Lumen output per LED module:** 480 lm
- **Beam angle:** 40 degrees
- **Lifespan:** Every type of wood has its own durability rating. More information about this can be found under "Types of wood" & "Sustainability". The LED module has an expected lifespan of 25,000 hours.
- **Lighting data:** Lighting data available on request.

OPTIONS

- **Wood type:** Larch/Douglas (on base support only), Oak, Rustic Chestnut or Accoya
- **Quality mark:** FSC or PEFC
- **Accessories:** The BASSO is available with or without post holder. See chapter 'post holders' for all technical data of the different post holders.
- **Light colour:** Available in 2,700, 3,000 K & 4,000 K.
- **Connection:** Possible with cable or without cable (1 mtr 3x 1.5 mm²). A 32mm hole in the fixture as standard for easy passage of your ground cable.
- **Variations:** At Timberlab, every fixture is carefully produced for you. In addition to the standard options, we are happy to create variations for your application. Think of a wall socket or a different height angle.

L = Length

	Weight	CO2 storage	Weight	CO2 storage	Weight	CO2 storage
Larch/Douglas	-	-	8 kg	12 kg	10 kg	12 kg
